

2017 Garmin Marathon Corporate Registration Agreement

By utilizing the corporate registration fee system, you are eligible for great rates and amenities for the race. By agreeing to this contract, you are able to register your employees at a discounted rate and must match the criteria below to receive such benefits. You as the signer of this agreement, agree to register **at least 10 employees** from your organization. Should you not secure at least 10 employees, you will be charged full price for the any of the races.

You will receive the notice on your invoice for the remaining participants unsecured. Setup can be used in a few different ways, you can setup the agreement where all employees can register free of charge and YOU as the signer will be invoiced the registration total (prices and options below). One other way for the agreement is to setup a code for your employees where they will pay the amount for the registration. **All corporate registration agreements will be due by March 31, 2017.**

Benefits

- Discounted prices for employees, with option to pay for them
- Team building
- Health Living for employees
