

2019 Garmin Marathon Corporate Registration Agreement

By utilizing the corporate registration fee system, you are eligible for great rates and amenities for the race. We have two options that you either send your employees a complimentary code to register for the race and then you get invoiced to pay for them at a deep discounted rate, or choose to just give your employees a link to register pay on their own with a smaller discount. These rates are cheaper than the early bird pricing. Read more below.

All corporate registration agreements will be due by March 31, 2019.

Benefits

- Discounted prices for employees, with options to pay for them or let them
- Team building and camaraderie
- Health Living for employees and potential insurance savings
